

Introduction and Instructions:

At the June 30, 2010 Conference of Delegates meeting the recommendation to amend the admissions policy was tabled to allow time for the association congregations to study papers dealing with fellowship. Those papers included:

- 1) "Discussion of the Application of the Principles of Fellowship With Emphasis on the Application of the Principles to Christian Schools" by Professor John Brug
- 2) "The Doctrine of Fellowship and Its Application in Area Lutheran High Schools" by Pastor David Wenzel
- 3) "Selling Schools or Proclaiming Christ" by Pastor Roy Hefti
- 4) "Let's Keep the Lutheran in our Lutheran Schools" by Pastor Daniel Deutschlander

All are posted on Luther's website <http://www.lutherhigh.org/about/board-a-delegates/cod-meetings> under "Fellowship Papers"

At the November, February and May Conference of Delegates meeting there will be time to discuss these papers. In preparation for those meetings we will discuss the Brug and Wenzel papers at the November meeting of the Conference of Delegates. We will discuss the Hefti and Deutschlander papers in our February meeting. At our May meeting we will then consider the tabled motion to amend the admissions policy.
