

Luther High School Spring Fact Sheet

Reflected in the following numbers are some of God's blessings for which we give thanks;

1. **230** WELS Kingdom Workers attended their national conference at Luther High School on April 5-6.
2. **72** applications received to date (April 16) for Luther's Class of 2017
3. With the recent gift for Chapel/Auditorium from sale of property and rent income coupled with the funds in the Building and Chapel funds, God has blessed us with **\$1,753,249.10** toward the costs of the Chapel/Auditorium
4. **9** students and Mrs. Bader from Luther High's Pro-Life Knights organization attended the Wisconsin Right to Life Legislative Conference in Madison in February. The group became familiar with five bills of legislation that will be brought to the floor in the near future. They were also versed on meaningful and appropriate procedures for lobbying their legislators.
5. More than **\$60,000** for tuition assistance was raised at the recent Big Knight Auction.
6. The attached numbers from a Commission on Lutheran Schools report indicate that Luther's tuition for Association member students is lower than the average; that communicant membership in association congregations is greater than most other ALHS's, and that Luther provides **more than \$100,000** in financial aid (which is less than the ALHS average).
7. We are **one in Christ** Christ died for all! Christ is risen! He is risen indeed! Keeping Christ in high school education is Luther High School's privilege, opportunity and responsibility.
