"This is YOUR Luther High School"

Parental Choice Program & Calendar Updates

Luther High School will be participating in the Wisconsin Parental Choice Program, which is a part of the Private School Choice Programs. Schools that participate in the program receive a state aid payment for each eligible student on behalf of the student's parent or guardian. Wisconsin Parental Choice Program (WPCP) will have student application information for the 2018-19 school year available in late January 2018. The open application period is FEBRUARY 1 – APRIL 20, 2018. More information can be found at www.lutherhigh.org or at dpi.wi.gov.

With Luther's entrance into the Wisconsin Parental Choice Program, modifications to the daily class schedule and to the school calendar were necessary. The Board of Control approved the necessary modifications at its December meeting so that Luther's calendar, and in particular, hours of instruction during the school year, would meet the standards set forth by the Parental Choice Program.

Changes to the school day include starting one day earlier (August 21) and adding 5 school days back into the calendar (Nov. 2, Jan. 21, Feb. 1, 15 and Mar. 18). In addition, the semester exam testing days will be condensed from 4 days to 3 days of testing.

Another change you will notice is the length of the school day. Beginning with the 2018-19 school year, the school day will begin at 7:50 am and end at 3:00 pm (currently 7:54-2:50). Class hours will increase from 43 to 45 minutes per class.

The revised School Year Calendar may be found on the Luther website on the CALENDAR page under STUDENT LIFE.

FINISH THE WORK

2 Corinthians 8:11

JOIN THE 2020 RESOLUTION TODAY!

After researching the needs of the school structure, a vote by the Luther High Association moved forward with a building project in 2016. Since then, project support has reached more than half the needed funds - but we are not there yet! It is time to resolve the remaining needs for this project before interest and construction rates rise— it is time to “Finish the Work.” We would like to invite you to become an active member of your Luther High Association which is comprised of 29 area congregations – including yours!

Members of Luther High Association congregations are encouraged to consider becoming an involved part of the LHS Building Project through the **2020 RESOLUTION**. Please prayerfully consider a tax-deductible pledge of \$20 (or more) per month for 20 months (or more).

Investing in this opportunity means you are a part of the future of Christ-centered education at your Luther High School and that you are an active part in helping to continue the mission of education for eternity. A unified effort of all Association members will help to accomplish a lot with just a little! Please prayerfully consider joining our group of supporting partners today!

The strong resolve that the cost of the Luther High School building project is our Association congregations’ commitment is vital for the continued strengthening and growth of Christ-centered education, and it involves you. Thank you for your prayerful consideration!
