# ***Luther High School***

**Luther High School  
Annual Asbestos Notification  
July 2020**

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the Luther High School has an Asbestos Management Plan at the school district office. The plan is available for inspection by the public, parents, and district employees. The district performs six month periodic surveillance of asbestos in June and December and full re-inspections every three years. For more information please contact the district office.

**2009 Wisconsin Act 96  
Indoor Environmental Quality Management Plan  
Luther High School  
2020 Annual Notice**

The Luther High School would like to inform staff, students, parents, and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2013 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to the IEQ Coordinator. Copies of the plan are available at the district office for a fee. The district office is located at 1501 Wilson Street, Onalaska, WI, 54650-8757.
